

## MUSIC@HOME-INFANT

The following sections include statements about your home environment and activities with your child. Even though the wording asks you to think about activities that you do with your child, we are interested in what goes on in the family as a whole. So please respond also taking into account activities that your child does both with you and with other family members (e.g., caregiver or sibling).

Please indicate your level of agreement with the following statements. Please note that some of the questions are 'reverse worded' e.g 'I don't ....' so please read carefully:
